Crawler classrooms are one of the most unique places in the church. Between the diaper changes, snacking, and rocking, there are small windows of playtime that are an amazing opportunity to teach children about their loving Heavenly Father. This curriculum is designed to bridge the gap as your young crawlers move from the baby room towards the twos.

We have provided four playtimes to teach the monthly bottom line through one-on-one as well as small group play. Repeat each activity as long as there is interest. Remember, crawlers LOVE repetition.

*These crawler playtimes have also been produced as posters available at [www.orangestore.org](http://www.orangestore.org) for you to hang on the wall for easy reference.*

God gave us these things, and they are good. We can be thankful for them. The apple is good, and I can thank God for giving us apples. God is good."
